"My children loved Circle-G!
They found friends & comfort
in sharing & learned how to
manage hard feelings. After
the first week, they couldn't
wait to go back!"

Maria Trozzi, Program Director

As co-founder of the Good Grief Program, Maria Trozzi brings decades of expertise as a trusted clinician, national expert and respected author helping families and school communities face stressful life events.

Circle-G is a FREE program

Circle-G offers comprehensive family support where children (ages 6-18) are surrounded by others facing similar challenges. It's about mastering coping skills when facing stressful life events. The Circle is fun, powerful & assures children they are not alone.

They come with their parent, enjoy a pizza supper, and maybe, for the first time, join other children who have experienced the death of a parent or sibling.

When: Mondays 6-8pm, 10 weeks
March 4th - May 20th
